## OVERVIEW

PM-B is pleased to announce "The Fort" Data Centre, ideally located at Changi International Park (South), is in close proximity to the Singapore Expo, Changi Business Park and East Point Mall. It is also well connected to the rest of Singapore via major expressway such as PIE and ECP as well as public transportation networks (Tanah Merah / Expo station), making it accessible to all.

The Fort being truly carrier neutral, can offer high quality, scalable data centre solutions customized to fit customers' requirements, with net usable area of 20,000 sq ft per storey.

Our solution provide minimum N+1 configuration for power and cooling system, meeting maximum power delivery of 1,500w/m<sup>2</sup>.

For more enquiries, kindly contact us at 6848 1333 or e-mail us at [TheFort@pmb.com.sg](mailto:TheFort@pmb.com.sg).
